EETA | Department Newsletter June 2021 to May 2022 Volume-6 Issue-6

Vision of the Institution:

PMC Tech Polytechnic College shall emerge as a premier Institute for valued added technical education coupled with Innovation, Incubation, Ethics and Professional values

Mission of the Institution:

- To foster the professional competence through excellence in teaching and learning.
- To nurture overall development of students by providing Quality Education & Training.
- To provide innovative environment to learn, innovate and create new ideas for the betterment of oneself and society.

Vision of the Department

To produce dynamic, competent and innovative Electrical and Electronics Engineering diploma holders to cater the need of the industry.

Mission of the Department

- To promote excellence in teaching and laboratory practices
- To have good ambience and infrastructure for Electrical and Electronics Engineering students suitable for professional career and higher studies.
- To inculcate ethics, leadership qualities and professional outlook to develop the overall personality of the students.
- To provide opportunities for lifelong skill development and learning for industry and social needs.

Program Educational Objectives (PEOs)

- Have strong foundation in the basic sciences and mathematics and engineering to enable that they become successful and productive engineers, with emphasis on technical competency, and with attention to teamwork in the broad range of electrical engineering areas to serve the needs of both private and public sectors.
- Exhibit professionalism, ethical attitude, communication skills, team work in their profession and adopt to current trends by engaging in lifelong learning.
- Actively engage in Quality Careers, Higher Education, Research and Publications.
